## WORK EXPERIENCE

### Amazon Fulfillment
*Caledonia, MI*
Fulfillment Associate
Mar. 2020 - Now

- Assisting managers in different departments I got trained in such as stow, count, and tote running to bring efficiency to the managers I'm working under.
- I become the employee of the month in the first 5 months working for the company.
- Became an L3 PA and managed around 26 associates analyzing and reduce product falling on the AR floor by 40%.

### SpartanNash
*Kentwood, MI*
Order Picker
Nov. 2018 - Mar. 2020

- Responsible for picking frozen items for company demands and ship them out in a strict timely manner.
- Actively providing easier ways to improve wrapping packages neatly and secure to get them ship off to the right places.

## PERSONAL PROJECT

### PC Build

- I intricately design and construct custom PC builds for family members, meticulously selecting components to meet their specific needs and preferences, ensuring optimal performance, reliability, and satisfaction.

### Themes for VSCode

- I have created unique themes in Visual Studio Code that got over 150+ installs, blending vibrant color schemes with intuitive layouts to enhance productivity and aesthetics during development.

### Custom Keyboards

- I have created few unique custom keyboards for cilents and streamed them on Twitch.

## EDUCATION

### Washtenaw Community College
Washtenaw, MI (2014 - 2016)

- Honor Associate of Design ( Graphic Design)
- Cumulative Average: 90 %

### Kenzie Academy (Bootcamp)
Indianapolis, IN (2021 -2021)

- Associate Degree Computer Software ( Web Development)
